I; the young warrior
The one that rules all over and walk my own path
Not in vain I wear the yellow wings clothes
Cause I am the one who makes sun rises

The Serpent Mount has a new ruler
He is an army came to conquer
And to build a new place to the mighty adorers of dead
First temple to slay is magnificent!

The Ecatepec Sorcerers Diviners (Huitznahua)
That read on thorns and nails
Says that Mexico is raising
In that place of snakes known as Coatepec

Vanity rises and commands to not obey
That stupid bastards that want make us obey
The sign was clear and this is not the place
Where Mexico must be founded to domain

The god command us to destroy and slay
Diviner's citadel, we must exterminate
The sign was clear and this is not the place
Where Mexico must be founded to domain

"claim the bodies to eat their flesh
The erratic march must continue to get the empire"

In Mexico the god appears
Thy banner is unfolded
In all directions
And no one weeps.

Ahuia
Mexico
Teutlaneuiloc
Amapanitla
Anauhcampa,
Ye moquetzquetl, aoyequene y chocaya

I, the god, have returned again
I have turned again

To the place of blood-sacrifices

Eztlamiyaua!

I am beheld as a god!
