An upcoming storm of fire...
Abhorers of human kind manifest the power!
Technology become our perfect allied...
Through it we'll get a humanity mangled!

Fireblast demonstrate our misanthropic beliefs... Kill!
Fireblast destroy, raze the world... unmercy maim!

Destructors, bombardiers: annihilate!
Fly over them to raise the raze!
Fast survivor's hunt...
Shoot them until unload all the barrel's shot guns!

... Fireblast... kill!

Fly over their heads
... decapitate them with fire hail
Their gonna feel the wrath
... through an unfeeling fireblast!

... Fire!

Unleashed horror in their hearts!
Maim the bodies mutilate their souls!
Terror provoked by tech strenght
Fireblast manifest our obnoxious rage!

Destructors, bombardiers: annihilate!
Fly over them to raise the raze!
Fast survivor's hunt...
Shoot them until unload all the barrel's shot guns!

... Fire!

Fly over their heads
... decapitate them with fire hail
Their gonna feel the wrath
... through an unfeeling fireblast!

Killers... rise the raze!
Killers... annihilate!

Destructors, bombardiers: annihilate!
Fly over them to raise the raze!
An upcoming storm of fire...
Abhorers of human kind manifest the power!
