Warwizards spread your vulture wings!
Forge with flames imperial machinery of hate!

Sorcerers command imperial wrath
Proclaims the occult words of war!
Rendition is not enough for us
Destruction is what we fight for

... legions fight to the death!

Destructive misanthropic hate
Warlike propaganda
Total human destruction rage!
Imperial terrorism reign!

Reveal us mysteries of death
Bewitches the imperial flames
... Monumental expression of hate!

Warwizards spread your vulture wings!
Make us invincible immortal men!
Terror wisdom to mankind's total ruin
A blood dawn of hatred winged king!

Witchking!... spread your vulture wings!
Assassin... of mankind's fate
Terrorist imperium... King of men and hate!

Sorcerer command imperial wrath,
Proclaims the occult words of war!

... bewitches the imperial flames
Monumental expression of hate!

Legions march proud to wrathfield...
Do not stop fight to the death!
Witchking... spread your vulture wings...
Terrorist king of men and hate
A blood dawn of a magnificent... legion of death!

... reveal us mysteries of death
Bewitches the imperial flames...

Monumental expression of hate!
