Trux!...

The crucifix zealots must pay with their life
Contemptuous sight to their way of life
Ruin and killing forever the crucifix fags!

Killing or exile to the infidel bastards
Their stupid superstitions must be out now!

Trux!... obnoxious contemptuous sight

To the glorious aztec Land
Ruin and killing to that fags we must grant
We must grant victorious sacrifice
As retribution to this glorious land

Exile to the infidel!
Death to the bastard with wrath!

Wrath!
Death to that traitors way of life...
Surrend them to this new hate laws...
Suffering and maim we must grant!

... sacrificial mask!
... massive ritual sacrifice!

... death!... wrath!... trux!
... bellifer foedus!
