Go forth to the place of blood sacrifices
City of lords...
Vast heir of gods...

Superb stone thrones to honor the cosmic king
Great symbols of a mighty warrior-witch
To guide warriors, bewitches mighty beasts

Xochiyāioyotl

Irradiates your vast mythic power
The warsungod demands from thee
Red concoction from hearts stolen

-the green reflections of this majestic pyramids
Presumptuous inhuman mighty opulent warrior witch-

Superb green
Reflects on this majestic pyramids
Presumptuous
Tenochtitlan's mighty inhuman warrior witch
Condemning
Those warriors that has not given hearts
Prophetizing
About the warsungod's blood delights

Black painted bodies
Wearing skulls in your chest
As proof of your domain
Serpents as arms
Slaying warriors chests
Searching for devotion
To domain the infame slaves

Superb stone thrones, to honor the cosmic king
Great symbols, of a mighty warrior-witch
To guide warriors, bewitches Xochiyāioyotl

Irradiates your vast mythic power
The warsungod demands from thee
Red concoction from hearts stolen

The green reflections of this majestic pyramids
Presumptuous inhuman mighty opulent warrior witch
