Tell Me how you gonna take a life
When the person didn't even put up a fight.
Guilt.
Guilty for the murder of all Inicent when the
Story 'Resolves' itself
You dare try to kill a live
Well the spirt lives on inside.
(Chorus:)
Wake me up from this terrible dream. I mean.
I hate that I hear passings.
Memorises Merorized so I can remember the family
that died.

Wake me up so I don't over sleep
Shake me so my soul will keep.
I'm to young to die.
But I know my family will cry.
Tommorow never comes so I live for today.
Did you really wake up this morning or was it an
Illusion?
Boring.

Chorus.

You dare try to kill a soul.
Twisted ways as the story un folds.
Walking down the road. Told to always think twice.
Might even save my life.
Un slave the knight that was here to help.
Got caught for the wrong reasons.
Now behind bars.
Far form the day I'll give in.
Cause the day is never.
Maybe sunshine but it's still bad weather.

Chorus.

Hiding isn't an option.
Open up.
Waiting for the time to bust.
Bust open the doors.
Nobody's safe now hit the floor.

He's the reason why little sally cried.
Took away her father's life.
Now she lies where tear drops hide.

Chorus.

Wake Me Up (x13)
