Well she's a drinker, a heavy drinker  
Much more so than you or I  
And she's a drinker, a heavy drinker  
Drain the well and leave you dry  
Well she's a drinker, a heavy drinker  
Much more so than you or I  
And she's a drinker, a heavy drinker  
Close the bar down every night  
Close the bar down every night

Well young lady, pretty lady  
Much more so than you or I  
Young lady, pretty lady  
She's got the diamonds in her eyes  
Young lady, pretty lady  
Much more so than you or I  
Young lady, pretty lady  
Reckless and wild

She's a drinker, a heavy drinker  
Much more so than you or I  
And she's a drinker, a heavy drinker  
Drain the well and leave you dry  
She's a drinker, a heavy drinker  
Much more so than you or I  
She's a drinker, a heavy drinker  
Close the bar down every night

Well the boys say Kate I need ya  
The boys say please come home  
The boys say Kate you know I love ya,  
But Kate is long gone.

And the ships have all come in  
But no sign of her is found  
She drank the whiskey  
To the bottom of the ocean drowned

'Cause she's a drinker, a heavy drinker  
Much more so than you or I  
And she's a drinker, a heavy drinker  
Drain the well and leave you dry

And she's a drinker, a heavy drinker  
Much more so than you or I  
And she's a drinker, a heavy drinker  
Close the bar down every night
