Yeah
Getting good
Get me up
Get me grooving
Get me grooving
Get me up
Come on!

Going up
Don't like it
Don't make it

Hey come on!

Going up
You coming up!
You coming up now!

You know when you're going, you can't get back
You find yourself a reason
You know when you're going, you won't come back
It's no longer the life you're leading
Yeah

If I am so sad

Get back

Well my heart is filled with sorrow
And my mind is filled with pain
Don't know if I'll make tomorrow
Or if I'm gonna see her again

You know when you're going, you can't get back
On the side of the road

How Long Will It Be Till I See You Again? (Caravan
Hidden Track)

How long will it be 'til I see you again?
How long will it be 'til I see you again?
How long will it be 'til I see you again?

How long will it be 'til I see you again?

How long will it be 'til I see you again?

How long will it be 'til I see you again?

How long will it be 'til I see you again?
