Now I belong to the wrong  
Of this world  
Cause my innocence died  
Mother earth  
Just preserve me  
Into your soul  
Save me  
Into your heart

This can go on more and more  
I need to save it revolution  
It's the only way I have

Sometimes I need to come out  
I believe in  
Revolution  
It's the only way I have

Give, give me a dream I want live  
Give me the strength to fight  
Please help me to fight

Give, give me a dream I want live  
Give me the strength to fight  
Please help me to fight

Only through you  
I will live forever  
You will remember me  
As long as someone  
Get your vibes  
And feelings  
So alive  
Cause everything  
Fades away

Sometimes I need to come out  
I believe in  
Revolution  
It's the only way I have

Give, give me a dream I want live

Give me the strength to fight  
Please help me to fight

Give, give me a dream I want live  
Give me the strength to fight  
Please help me to fight
