The more I give
The more you take
You've got that attitude for heaven's sake
You broke my heart
And that's a fact
You're still so perfect and I can't forget
And I can't forget
And I can't forget

Everywhere I go feel like I'm falling
(like I'm falling without you)
I've got you within under my skin

Take me higher
I'm you're fire
Your desire
Take me higher
Burn that fire
My desire

The more I waste
Is yours to take
You're my temptation as the heaven's snake
I lost my mind
You know it's true
And I'm so stupid 'cause I love you

I've tried so hard
To be the best
You're not my future and you're not my past
We've gone to far
It hurt so bad
I'll face it all that's why I can't forget
And I can't forget
And I can't forget
How you're gonna do when your spirit's broken
(when you're spirits broken)
All of you will never be the same

Take me higher
I'm you're fire
Your desire

Take me higher
Burn that fire
My desire

Take me higher
I'm you're fire
Your desire
Take me higher
Burn that fire
My desire

Why I can't get forget
And I can't forget
And I can't forget
