Everybody knows watcha doin' in town
Everybody spyin' on your life
Everybody knows what i'm talkin' about
Stop spreading rumors around

I'll run away from here (rumors around)
look what you've done to me (rumors around)
I'll run away from here
(rumors around)
you'll pay your dues my dear
Rumors
they wanna kill your life with their
Rumors
and it cuts like a knife just like
Rumors
so please stop with your lies and your
Rumors
because what's mine is mine
Rumors
Rumors
Rumors

And I don't mind your jealousy
Don't you know that nothing's for free?
And I don't care what people say
I just wanna live my way
Eye to eye
Face to face
I don't really like your race
One by one
I've just begun
I think I'm gonna have some fun

I'll run away from here (rumors around)
look what you've done to me (rumors around)
I'll run away from here
(rumors around)
you'll pay your dues my dear
Rumors
they wanna kill your life with their
Rumors
and it cuts like a knife just like

Rumors
so please stop with your lies and your
Rumors
because what's mine is mine
Rumors
they wanna kill your life with their
Rumors
and it cuts like a knife just like
Rumors
so please stop with your lies and your
Rumors
because what's mine is mine
Rumors
Rumors
Rumors
Rumors
