Listen to me, hear my voice, I need more you know  
Sorry darling, Iâ€™ve no choice, I must go  
Sense my spirit, spread my wings, I need room to fly  
I care what my future brings, hear my cry  
Give me the sound of a different drum, I plan to seize  
the day  
Hereâ€™s my goodbye to what might have come, dance  
away

Vamos a bailar esta vida nueva  
Vamos a bailar na na na  
Vamos a bailar esta vida nueva  
Vamos a bailar

Hear my tempo, hear my tune, let me lose control  
Gods that hold my summer moon, light my soul  
Wash me in your warming seas, place me on the shore  
Wrap me in your cooling breeze, born once more  
Give me the sound of a different drum, I plan to seize  
the day  
Hereâ€™s my goodbye to what might have come, dance  
away yeah yeah

Vamos a bailar esta vida nueva  
Vamos a bailar na na na  
Vamos a bailar esta vida nueva  
Vamos a bailar

Give me the sound of a different drum, I plan to seize  
the day  
Hereâ€™s my goodbye to what might have come, dance  
away
