

All Or Nothing H.c. "Kindness For Weakness"

You come around: you take, you take
Smile slyly think it's great
Think I don't know what you're scheming
In between your words I find your meaning

You might find when I'm pushed to far
Don't mistake my kindness for weakness
You will find when I'm pushed to far:
Don't mistake my kindness for weakness

Think I don't remember what you say?
Decided to be trust worthy today
Think I don't attend to your actions?
Your philosophy has much lacking.

You will find when I'm pushed too far
Don't mistake my kindness for weakness
You might find when I'm pushed to far
That I strike back until the blood comes out.

Don't mistake my kindness for weakness!
