

All Or Nothing H.c. "Strike Down"

Visit "[Strike Down](#)" on MotoLyrics.com

Discover what you want to do
Begin to do it now
You're not guaranteed a lifetime
So do what you love now
Doesn't matter how young you are
It doesn't matter how old
There's nothing to fall back on
Don't listen to what you were told

Don't get caught
In a search for security
Pursue all your passions

Or die from monotony
Think of what you've got to give
Don't let them pump you with fear
Know what passions drive you,
To thine ownself be true

Strike down your fears
And follow your bliss
Become what you've imagined
That moment begins here
