Abe:

Being hated is the worst feeling there is!

Monty:

Ho ho ho ho! You've got it all wrong, my friend. Once  
you see it my way  
You'll understand that being hated is the greatest  
feeling in the world!

Don't really care for chasing women  
Never was keen on booze  
Don't take cocaine or "Mary-Jane"  
No, I get drunk on boos!

Eh, that's "b-o-o-s", not "z-e" as before.

Bart:

Uh... We get it... !

Monty:

Because...  
You've got to love to be hated  
Find the good in being bad  
Oh, the crowd is full of gentlemen  
But they've paid to see the cad

Yes it's a hoot, a kick, a gas  
When you're the villain of the show  
Once you wear black you never go back  
It's a-high to be loathed

Chucky, Stalin, Megatron  
Eric Cartman, Donkey Kong  
Vader, Nader, Simon Legree  
Terminators 1, 2 and 3

Iago, Joker, Voldemort  
McEnroe on center court  
Mr. Burns and Skeletor  
Keep your good guys, what a snore

When it's your head they wanna sever

And your blood they wanna she'd  
You know you're gonna live forever  
If everybody wants you dead

So listen up because I've given  
The best advice you'll ever know  
So feel the thrill, I know you will  
It's a-high to be loathed
