The whole world is mad  
The whole wild world has gone crazy  
The whole world is mad  
And I'm the only sane person

Freedom fighters, freedom fighters  
They are not understood  
Freedom fighters, freedom fighters  
They can not be understood

The whole world is mad  
And they just don't understand  
The whole world is mad  
And they just don't understand

They killed off all my friends  
Malcolm, Marcus Garvey and Martin Luther  
The rest is too much to mention  
And the whole world is mad

Free freedom fighters,  
Free freedom fighters,  
The whole world is mad  
And they just don't understand

Yeah  
The whole world's gone crazy

They lie, shoot, kill and maim  
And tell them that they're all gone insane  
Claiming that they should be locked away  
Just because they call for human rights

The whole world has gone mad  
And they just don't seem to understand  
The whole world is mad  
And they just don't seem to understand

Crazy, crazy, crazy, crazy,  
The whole wide world  
The whole wild world has gone crazy
