It hurts
Lord it hurts
To know the truth
To know myself
Lord it hurts
Jah jah it hurts
To know the truth
To overstand

Not so easy when you look in the mirror
And see yourself staring at you
Then only to find, you're not who you thought you were
Only to discover you're living a lie

Lord it hurts
Jah jah it hurts
Lord it hurts
Oh jah jah it hurts

Going around like you're a big shot
And finding out you're a nobody

Jah jah it hurts
Jah jah it hurts
Lord it hurts
Lord it hurts

Checking at yourself and rediscovering
Gonna take some moment to check my eye
Checking out your vibes
Checking out your steppes
And realizing you're living a lie

Oh Jah jah it hurts
Jah jah it hurts
Lord lord it hurts
Oh jah jah it hurts

What's to become?
What's to become of me?
What's to become?
What's to become of me?

Lord it hurts
Lord it hurts
Jah jah know it hurts
Jah jah now it hurts

Touch me, touch me with your life jah jah
I said touch me, touch me with your life jah jah

Keeping direction
Keeping direction
Show me a purpose
Show me a purpose
There must be a purpose
There must be a purpose
I'm living a lie
I'm living a lie
Show me a purpose
