Oh I have to say  
Jah is gonna help me anyway  
Oh I have to say  
Jah is gonna help me anyway

He's my life  
He's my salvation  
He's all I have  
Oh I know  
Yes I know  
He's never gonna let me down  
Oh oh oh I say  
He's gonna help me anyway  
Oh oh oh I say  
He's gonna help me anyway  
I call on my friends  
They turn their backs  
I call on my friends  
Ah ah

I call on my sister  
She doesn't have no time  
Oh oh oh I know  
He's gonna help me anyway  
Oh oh oh I know  
He's gonna help me anyway  
I call on my brother  
He doesn't have no time  
I call on my man  
He say my cry cry  
Oh oh oh ah ah  
Jah's gonna help me anyway  
Oh oh oh I know  
He never turn his back on me  
Oh oh oh  
Jah is gonna help me anyway
