Something told me it was over
When I see you with him talking
Something deep down in my soul say "child boy"
When I see you and that guy walking

Oh I would rather go blind
Than to see you walking away from me
See I love you so much that I don't wanna watch you
leave me baby
The thing is that I don't wanna be free

Oh, I was just, I was just, I was just sitting and thinking
Of your kiss and your warm embrace
When the reflection in the glass that I held to my lips
now baby
Reveal the tears that washed streaming down my face

Oh I would rather, I'd rather be a blind boy
Than to see you give your love to him
Oh baby I would rather be blind
Than to see, than to see you walking away
'Cause I love you, 'cause I love you
I don't wanna watch you leaving
And you know, you know I don't wanna be free

'Cause I would rather, I'd rather, I'd rather go blind girl

Something told me it was over
When I see you and that guy talking
Something deep in my soul said "cry boy"
When I see you and that other guy walking
