Oh mother oh mother,
Open the door, open the door,
Door of dream, door of heaven...

Earth is not sure, love is not pure
Pray is on, ray has born,
For me... oh mother open the door...

Tell the god take my money,
I need a honey...
Honey of love, peace of dove
For me... oh mother open the door...

Oh mother oh mother,
Open the door, open the door,
Door of dream, door of heaven...

Eyes on top, for the drop, drop of wait,
Wait of death, set of faith,
To see my mother, oh mother
Open the door, open the door,
Door of dream, door of heaven...
