all night long

verse one

uh! line up the shots, bottoms up, one more round
celebrate and dance for free, let's do it one more time
Co2 jets and flames, Go Go girls in bodypaint
do your thing girl, misbehave
I wanna see you go untamed
I recognize this chick, I seen her on FB
body is out of this world like she from space, E.T
I dig her dirty talk, she says I'm so sexy
next thing we dirty dancing, I'm Patrick Swayze

chorus

all night long
all night long
all night long long long
all night long

all night long

I wanna party with you, rock it tonight
all night long
girl are you ready for the time of your life
all night long, long long
I wanna party with you rock it tonight
ready to party with you
rock it with you
all night long

verse two

I'm walking through the jumping crowd
I'm headed to the other side
I'm trying to find the bar
but I'm spottin this beauty on my right
I see her on the dancefloor
she hot from every angle
I-I-I approach her
the music bring us closer
the night is ours, girl it's crazy, having so much fun
4 am and still we ravin like the night has just begun
the night is ours, girl it's crazy, having so much fun
4 am and still we ravin like the night has just begun

all night long

chorus til end
