Everything is wonderful
Everything is great
Free as a bird singing outside my window pane
Got a fresh new start
It's a brand new day
And I got lots of love to give away

It don't matter if it's raining
Nothing can phase me
I make my own sunshine
And if you think you can break me
Baby you're crazy
I make my own sunshine

Hey, let's make a rainbow
Look for the pot o' gold
I'll show you how to keep it nice and easy
Even if a cloud starts forming on my lovely day
There's nothing, no nothing, that could stand in my way

It don't matter if it's raining
Nothing can phase me
I make my own sunshine
And if you think you can break me
Baby you're crazy
I make my own sunshine
