### Verse 1

Now tell me do I wish too much?  
Is it cause I kick it and I drink too much?  
But the truth is I wanna live too much.  
And you're the type of girl I'd like to give too much, till  
it's enough.  
Please tell me I'm close to your type  
Not cute but I know what's right  
Not sweet but I know what's nice  
And I could make you laugh and smile all night  
Might mess up and say the wrong lines  
And I tend to say things at all the wrong times  
But I'm confident that we're so right  
Even with these flaws I'm not the wrong guy  
Off bat, I could say I'm not book smart  
But I'm smart enough to protect your heart  
Dump your past it belongs in the junkyard  
Let's hook up all we need is a jumpstart

### Chorus

I wish I was somebody special, special in your eyes

### Verse 2:

Tell me do I think too much?  
Is it what I'm feeling makes you trip too much?  
If we choose to pass, might miss too much.  
You know I'm into you cause I hint too much, is it  
enough?  
Please tell me that I cross your mind  
Ever think about crossing that line?  
Can I prove that I'm worth the risk  
So I could prove that I'm worth your time  
Not buff but I know my loves strong  
Not rich but I'll write you a love song  
What you're getting is a part of me  
And that right there is the heart from me, yeah.

I don't really know how to say this but...  
You're the only song in my playlist, love.

Get a little closer when we hug  
But what I'm feeling might be too much...

I wish I was somebody special, special in your eyes...
