I'm not feeling so bold  
Can't you see I don't want to grow old  
And my photograph's an epitaph of parody  
I don't want to be me

I'm not feeling so sure  
It would help if you offered a cure  
If I wait, it's too late for the remedy  
I don't want to be me

You won't save me  
Cuz I'm not the fortunate one  
So don't blame me  
If I decide to go hide or instead to just run

I'm not feeling so well  
Maybe we could just sit for a spell  
And make amends, it depends on my injury  
I don't want to be me  
I don't want to be me  
I don't want to be me

You won't save me  
Cuz I'm not the fortunate one  
So don't blame me  
If I decide to just run  
You won't save me  
Cuz I'm not the fortunate one  
So don't blame me  
If I decide to go hide or instead to just run  
If I decide to go hide or instead to just run  
If I decide to go hide or instead to just run
