We made it through storms, made it through rain  
It's been a long way and now I'm here  
Trying to get back what you gave me  
You don't need to save me, you broke my fears

So baby hold on  
Now that we come so far  
Just listen to your heart

You don't have to save me  
Just need you to follow  
Cause we made it all this way  
I won't ever give up  
Of something that's so strong  
Yeah, we made it all this way

Like the moon causes the tide  
Give me wings so I can fly  
You'll already saved me  
I need you to follow  
Cause we made it all this way

We made it this far gotta hold on  
It's a part of this road and we make it through  
I open my eyes and it feels right  
I just need to know I'm here with you, oh

So baby hold on  
Now that we come so far  
Just listen to your heart

You don't have to save me  
Just need you to follow  
Cause we made it all this way  
I won't ever give up  
Of something that's so strong  
Yeah, we made it all this way

Like the moon causes the tide  
Give me wings so I can fly  
You'll already saved me  
Just need you to follow

Cause we made it all this way

Sa, Sa, Sa, Sa, Sa save the day \*3

You don't have to save me  
Just need you to follow  
Cause we made it all this way  
I won't ever give up  
Of something that's so strong  
Yeah, we made it all this way

Like the moon causes the tide  
You Give me wings so I can fly  
You'll already saved me  
Just need you to follow  
Cause we made it all this way

Sa, Sa, Sa, Sa, Sa, Save the day \*4
