You keep breaking my heart, this is so unfair
Watch me falling apart, you don't even care
It's like every time I try to pull myself up
I fall further, oh yeah, I'm going down, down, down
All this playing around won't take me anywhere

Forget my number, don't buy no rings
With all your cash, you're still a poor man

Everybody tells me you're a (bastard)
Your mama even told me you're a (bastard)
I remember it well, said I was going to hell
But baby I know you will get there (faster)
(Ohh oh ohh)
Everybody tells me, e-e-everybody tells me you're
(Ohh oh ohh)
Your mama even told me, yo-your mama even told me
you're a (bastard)

Magic mirrors and smoke, me under your spell
Beat down, dirty and broke, running off the rails
I knew I was doing things one day I would regret
We were never meant to be, now I need to forget
You have never been mine and you don't give a sh*t

Everybody tells me you're a (bastard)
Your mama even told me you're a (bastard)
I remember it well, said I was going to hell
But baby I know you will get there (faster)
(Ohh oh ohh)
Everybody tells me, e-e-everybody tells me you're
(Ohh oh ohh)
Your mama even told me, yo-your mama even told me
you're a

Oh, daddy why is love so blind
Oh, mama hates to see me cry
My heart's in the recycle bin
I know that I'll get up again
And none of this will ever even matter

Forget my number, don't buy no rings
With all your cash, you're still a poor man

Everybody tells me you're a (bastard)
Your mama even told me you're a (bastard)
I remember it well, said I was going to hell
But baby I know you will get there (faster)
(Ohh oh ohh)
Everybody tells me, e-e-everybody tells me you're
(Ohh oh ohh)
Your mama even told me, yo-your mama even told me
you're a (bastard)
