no no no no, no
it was good while it was - whatever it was
whenever you said it
and you really believe
if you came back to me
that i would forget it,
but lately - you been prayin

[CHORUS]

things you wish you didnt say - cant take it back
things that cant be erased - cant take it back
your crying this time, wish you could rewind
but thats the price that you pay
and thats that - you cant take it back
oh

you say you didnt mean to hurt me,
do you think i believe you and your games
you say your goin through hell
and you're trying to sell that your going to change
face it - im not playin,
things you wish you didnt say - ca'nt take it back
things that cant be erased - can't take it back
your crying this time, wish you could rewind
but that's a price that you pay,
and that's that, you can't take it back

it was good while it was,
whatever it was,
whenever you said it.
and did you really believe it wouldn't come back to me
and you regret it

things you wish you didnt say - can't take it back
things that can't be erased - can't take it back
your crying this time, wish you could rewind
but thats the price that you pay,
and thats that
no no no no no
oh can't take it back
no no no no no no
no no no no

no no no no no
can't take it back
