I don't know much about clothes, but my hair looks fierce!

I don't know much about clothes, but my hair looks fierce!

I don't know much about clothes, but my hair looks fierce!

I don't know much about clothes, but my hair looks fierce!

I don't know much about - much about - much about -  
much about - much about clothes and things

I just talk about - talk about - talk about - talkin to my  
friends when my cell phone rings

I don't care about this that - this that - this that - the  
other, what you talkin about?

I just show up - all done up - dance - do my thing - get  
paid and I'm out!

I don't know much about clothes but my hair looks  
fierce! (x4)

When you talk all I hear is wasay blah blah - wasay blah  
blah blah - take me to my car!

Got a 50 foot stretch limousine - color creme - Jocelyn  
Wildenstein at my minibar.

I got friends in high places with plastic faces - boys in  
braces wanna change their races.

I can't stop - cuz I won't stop - the party starts as soon  
as my dress drops!

I don't know much about clothes but my hair looks  
fierce!

- We are live in Hollywood on the red carpet with  
Amanda Lepore, can you tell us Amanda - who made  
your dress?

Some mexican children in an L.A. sweatshop - who work  
nonstop until their heads drop - they weren't allowed  
food or water to drink - but they still did a fierce job  
don't you think?

- Yes, I do

Thank you!

- Now about that dress

Forget the dress, let's talk about my breasts!

- Speaking of breast implants, what did Paris Hilton do?

Paris who?
