It gets so quiet when I leave  
It gets so lonely on these unknown roads  
And in this silence all I hear is you  
Words of pain and reassurance

Honey, distance brings us closer  
Honey, hardship makes us strong

It got so quiet when you left  
Dressed the kids and said farewell  
I've been trying to be selfless  
I've been trying to do good

And who said distance brings us closer  
Who said hardship makes us strong?

Your voice is silver bells  
The sweetness of a lovers spell  
Lingers in the dark you left me

Your voice is silver bells  
I'm clinging to a lovers spell  
Clinging to the sound of laughter
