I want you to show me what your lips don't say  
What your lips don't say, oh  
You don't have to think, put it on display  
Put it on display, oh...  
You're playing hide and seek, but I'm waiting for  
something real  
I can be a freak, what are you trying to conceal?  
Kiss me in the daylight  
Kiss me on the dancefloor  
Kiss me in the night,  
I want a Public Display of Affection  
It's an exhibition  
Hope you brought protection  
Got no inhibition,  
It's a Public Display of Affection  
If you wanna (my love uhu)  
That's all u can have, baby  
I just wanna have your touch on me  
Sooooooo  
Go to the dancefloor
