Six centeries ago
The last visitor from earth
Entered my world
Now it's your turn two feel that pain
The gates are open
Pain, Anger, Hate, Fear, Chaos, Darkness, Evil, Hell
The Gates are open
Gate 1 Darkness the world of deamons
Gate 2 my guards are watching you
Gate 3 Only evil lives here
Gate 4 There is no way out
Gate 5 Feel the fire
Gate 6 Pick up your weapons and fight
FIGHT, FIGHT, AND DACE WITH THE DEVIL
The Gates are open
Gate 1,Gate 2
Gate 3'Gate 4
Gate 5,Gate 6...6...6
Now fight me again
FIGHT, FIGHT, AND DANCE WITH THE DEVIL
