(Verse)

Where are you going with your life?
What kind of chances will you take?
If you just give me the night
I promise not to let you go astray.
And forever will be rising.

(Hook)

I see no reason for chasing
In Hollywood, got to lose my patience
Want this life to be a cabaret.
I see no reason for chasing
In Hollywood, got to lose my patience
Want this life to be a cabaret.

(Verse)

What's more important than tonight?
What's better than a laughter and champagne?
Looks like you're holding on too tight
Just let the lady carry you away.
And forever you'll be rising.

(Hook)

I see no reason for chasing
In Hollywood, got to lose my patience
Want this life to be a cabaret.
I see no reason for chasing
In Hollywood, got to lose my patience
Want this life to be a cabaret.

(Bridge)

Can you lose your time and mind
It's your dream, supreme,
For you and me.

(Hook)

I see no reason for chasing
In Hollywood, got to lose my patience
Want this life to be a cabaret.
I see no reason for chasing
In Hollywood, got to lose my patience

Want this life to be a cabaret
