(Verse)

If you'll allow it, I'll just make it plain,
There's something I've been dying to say.
Just to tell you that I have no plans to go nowhere.

What can I do to make you understand?
You seem to me to be a hell of a man
A pleasure and a joy, they are the things I'll ever need.

(Hook)

My love, I had a dream you were the ocean.
My love, and you bathe me in devotion.
My love, you knew the answer to the question
I had a dream you were the ocean.

(Verse)

It's not uncommon when you walk in the room,
Exhilaration sparks and thunder is torn.
A song of paradise fills in my mind the shades of blue.

You see, I've never come this distance before

I haven't found a love much more than a boy
And now our romance is a victory in love, for sure.

(Hook)

My love, I had a dream you were the ocean.
My love, and you bathe me in devotion.
My love, you knew the answer to the question
I had a dream you were the ocean.

(Bridge)

Lover, lover,
You'll always be my lover, lover
Can't go away, my lover, lover
Give into me, my lover, lover.
My love.

(Hook)

My love, I had a dream you were the ocean.
My love, and you bathe me in devotion.

My love, you knew the answer to the question
I had a dream you were the ocean
