Ah la di da da you are my hero
Ah la di da da oh oh oh
Ah la di da da you are my hero
Ah la di da da Ooo ah ah hero

In the middle of the night my hero comes to rescue
He's so fine I'm gonna make him mine
He's sincere I know his heart is beating
Just for me - only for me

* But at the break of dawn he is gone
The wind has carried him away
And like a comet on the sky
He will return - someday

You are my hero Ooo I love you
And all I want to know is if you love me too
You are my hero Ooo I like you
Oh won't you take me away
And make my dreams come true

** Ah la di da da you are my hero
Ah la di da da oh oh oh
Ah la di da da you are my hero
Ah la di da da

He's my lover out of sight and he will come and save
me
I can feel his love for me is real
I don't know if he can hear me prayin'
Don't let go - never let go

* Repeat
** Repeat

You are my hero my one and only hero Ooo ah ah hero

You are my hero Ooo I love you
And all I want to know is if you love me too
You are my hero Ooo I like you
Oh won't you take me away
And make my dreams come true

Ah la di da da you are my hero
Ah la di da da oh oh oh
Ah la di da da you are my hero

Ah la di da da oh oh oh
Ah la di da da you are my hero
Ah la di da da oh oh oh

Ah la di da da you are my hero, ah la di da da
