Here we go  
Here we go  
Feel it comin in comin on  
Feel it comin in comin on  
Feel it comin in comin on, yeah, yeah  
Feel it comin in comin on, c'mon

Feel it comin in comin on (so baaad)  
Feel it comin in comin on  
Feel it comin in comin on, why don't ya give it some  
(oooooh)  
Feel it comin in comin on, what, what

Feel it comin in comin on, why don't ya give it some  
Feel it comin in comin on  
Feel it comin in comin on, why don't ya give it some  
Feel it comin in comin on, here we go!

What, what

There's no question of a doubt, I've checked all the  
ladies out  
You're the finest thing that I've seen, sexy lady be my  
queen  
Had this dream thinking of me, you, all the things that  
we could a do  
Mind for ya body and soul, gonna make you lose  
control, here we go!

(Sometimes, f-f-feeling, aah, feels so good, feel so  
bad) c'mon yer  
(Sometimes, f-f-feeling, aah, good, feels so good)  
sexy lady dance, like the way that you shake it move it

C'mon, what  
Yeah, yeah! C'mon, c'mon  
What, what!

There's no question of a doubt, I've checked all the  
ladies out  
You're the finest thing that I've seen, sexy lady be my

queen (my queen!)  
Had this dream thinking of me, you, all the things that  
we could a do  
Mind for ya body and soul, gonna make you lose  
control, here we go

(Sometimes, f-f-feeling, aah, feels so good, feels so  
bad)

(Sometimes, f-f-feeling, aah, good, feels so good)  
(Ahhhhhhhhhhhhhhhh) c'mon yer  
(Sometimes, f-f-feeling, aah, feels so good, feels so  
bad) sexy lady dance, like the way that you shake it  
move it  
(Sometimes, f-f-feeling, aah, good, feels so good)

(I hope from the chain of heaven I know he chases her)  
(I know that he has found another friend) c'mon, what  
what  
(Maybe he's found the answer to all the people's love)  
(Maybe one day I'll see him chasing her)

There's no question of a doubt, I've checked all the  
ladies out  
You're the finest thing that I've seen, sexy lady be my  
queen (ooooooooohhhhhhhhh)  
Had this dream thinking of me, you, all the things that  
we could a do  
Mind for ya body and soul, gonna make you lose  
control, here we go

(Ahhhhhhhhhhhhhhhh, oooooooooohh)

(Sometimes, f-f-feeling, aah, feels so good, feels so  
bad)  
(Sometimes, f-f-feeling, aah, good, feels so good)

Here we go

Feel it comin in comin on  
Why don't ya give it some?  
Feel it comin in comin on
