VERSE 1

This might be a little inappropriate,
But I love you
I wanna f*ck you
Wanna go back to my place I have some toys we can
play with and have lots of fun, we can go all night, all
night!
Oh oh hey hey!
With my fake blonde hair
And my hot tan skin, so smooth you can't bare
My big blue eyes
You can't resist, can't resist, come on, lets go, go... eat
my pie

CHORUS

Oh you're my baby
But I don't know if you can
Handle this, baby, oh oh oh
Oh, p*ss, I might be dyin'
You certainly know how to keep me from cryin'
Oh oh oh!

VERSE 2

Y'know I've lookin' for a man like you
To satisfy my hunger
I've been alone in this bunker
I've been callin' some motherf*ckers!
You know how to do your job, yeah yeah!

CHORUS

Oh you're my baby
But I don't think you can
Handle this, (aw, can you?)
Ooh, sh*t, I could be pryin'
It's none of my business but why you lying?
Tellin' me you can handle it you liar you just wanna put
out this fire!

BRIDGE

You can't leave me.
Oooh yeah
You're stuck with me

And while you're stuck you'll have a pretty good f*ck!
Oh oh oh!
You're my little toy,
My best boy!

CHORUS

Oh you're my baby
But I don't know if you can
Handle this, baby, oh oh oh
Oh, p*ss, I might be dyin'
You certainly know how to keep me from cryin'
Oh oh oh oh!

Hey, don't ever leave, ok ok?
