Stop and let my mind reflect and capture my emotions  
Run towards the end just to appraise your devotion  
Steal, adrenaline is what I need to keep on moving  
Fight to let them now that I'll do anything to prove it

You run, you steal and won't give up a fight  
Stop me, your illusion might reflect your past  
And now you want it back

I RUN THROUGH TIME AND SPACE  
SEE THE WORLD FROM AFAR  
WHERE MY JOURNEY TURNS INTO A RACE  
I WILL ROAM THE EARTH  
AND I'LL CONQUER THE STARS  
IF YOU HAVE ONE THOUSAND REASONS TO STAY  
THEN I'LL BE ONE MILLION LIGHTYEARS AWAY

Fall into a void and rumble round among deception  
Hide behind the curtain to deny these accusations  
Stay just so the world could see you leave in  
desperation  
Fly towards the sun this is the countdown to extinction

You fall, you hide, afraid to lose your life  
You stat, but just so you could fly astray  
A million miles away

I RUN THROUGH TIME AND SPACE  
SEE THE WORLD FROM AFAR  
WHERE MY JOURNEY TURNS INTO A RACE  
I WILL ROAM THE EARTH  
AND I'LL CONQUER THE STARS  
IF YOU HAVE ONE THOUSAND REASONS TO STAY  
THEN I'LL BE ONE MILLION LIGHTYEARS AWAY

Can't stay a lie perfected, it's so bizarre  
You stay and pray for wonders  
To deny it all

I RUN THROUGH TIME AND SPACE  
SEE THE WORLD FROM AFAR  
WHERE MY JOURNEY TURNS INTO A RACE

I WILL ROAM THE EARTH  
AND I'LL CONQUER THE STARS  
IF YOU HAVE ONE THOUSAND REASONS TO STAY  
THEN I'LL BE ONE MILLION LIGHTYEARS AWAY
