Time, is the reason why we fight to stay alive,
until the morning comes.
It's a strive,
but a shimmer in your eyes just makes me know.
That you and I belong,
and you can light the dark up by your own.
So let us show the world that love is strong.

Like a sign, like a dream.
You're my Amaranthine.
You are all I needed, believe me.
Like a drift, in a stream.
Your beauty is so real,
there's nothing else in life I ever need.
My dream Amaranthine.

Time goes by as day and nights are turning in tilt,
but I'm lying in your arms.
It's the place were I know that I am closest to your
heart,
when the darkest hours are upon.
I know you feel the same as I inside,
it feels like in a dream were we can fly.

Like a sign, like a dream.
You're my Amaranthine.
You are all I needed, believe me.
Like a drift, in a stream.
Your beauty is so real,
there's nothing else in life I ever need.
My dream Amaranthine.

It's a sign,
but the shadow in your eyes just lets me know.
You are my Amaranthine.

Like a sign, like a dream.
You're my Amaranthine.
You are all I needed, believe me.

Like a sign, like a dream.
You're my Amaranthine.

You are all I needed, believe me.
Like a drift, in a stream.
Your beauty is so real,
there's nothing else in life I ever need.
My dream Amaranthine.
