I dare you to blame me, or try to persuade me
That you a'int a devil that is in disguise
I've seen through the false act, and found out the true
facts
And you've lost the camouflage of your lies

You are the one who is in denial

I've fallen out of love, given all I've got; it's time to give
it up
Cause you can't breathe, can't breathe life into a love
that's died
I've fallen out of love, you've taken all I've got and now
your time is up
Cause you can't breathe, can't breathe life into a love
that's died

How dare you front me, or try to disrupt me
And the thoughts running through my mind
I'd hate to rewind now, too late to explain how
You've lost your heart by abusing mine

You are the one who is in denial

I've fallen out of love, given all I've got; it's time to give
it up
Cause you can't breathe, can't breathe life into a love
that's died
I've fallen out of love, you've taken all I've got and now
your time is up
Cause you can't breathe, can't breathe life into a love
that's died

No you can't breathe, said you can't breathe, oh you
can't breathe
No you can't breathe, said you can't breathe life
No you can't breathe, said you can't breathe, oh you
can't breathe
I've fallen out of love, said I've fallen out of love
And you cannot breathe life, I said life, I said life

I've fallen out of love, given all I've got; it's time to give

it up
Cause you can't breathe, can't breathe life into a love
that's died
I've fallen out of love, you've taken all I've got and now
your time is up
Cause you can't breathe, can't breathe life into a love
that's died

I've fallen out of love, given all I've got; it's time to give
it up
Cause you can't breathe, can't breathe life into a love
that's died
I've fallen out of love, you've taken all I've got and now
your time is up
Cause you can't breathe, can't breathe life into a love
that's died

I've fallen out of love, given all I've got; it's time to give
it up
Cause you can't breathe, can't breathe life into a love
that's died
