Caught in the rain again, thought I was smart, but I  
guess not  
Should be ashamed  
Cutting it fine, this time. Pushing my luck came unstuck  
Can't even say, don't know why

God only knows you must be an angel, cause you're  
still in love with me  
You're still in love, love

I believe in love, maybe not enough, have I gone too  
far?  
Boy you bare the scars from lovin this fool  
Never seem to learn, always crash and burn, I know I've  
gone too far  
Boy you wear the scars from lovin this fool

I've done it again, don't know why, I can't explain, or try  
I've crossed the line too many times

God only knows you must be an angel, cause you're  
still in love with me  
You're still in love, love, love, love so

I believe in love, maybe not enough, have I gone too  
far?  
Boy you bare the scars from lovin this fool  
Never seem to learn, always crash and burn, I know I've  
gone too far  
Boy you wear the scars from lovin this fool

You understand that I don't mean it deep inside  
Whatever I am  
You take the good with the bad and you always seem to  
treat me right  
I've done wrong it's time to change, cause I'm still in  
love with you  
Still in love, love, love love so

I believe in love, maybe not enough, have I gone too  
far?  
Boy you bare the scars from lovin this fool

Never seem to learn, always crash and burn, I know I've  
gone too far  
Boy you wear the scars from lovin this fool

I believe in love, maybe not enough, have I gone too  
far?  
Boy you bare the scars from lovin this fool  
Never seem to learn, always crash and burn, I know I've  
gone too far  
Boy you wear the scars from lovin this fool

I believe in love, maybe not enough, have I gone too  
far?  
Boy you bare the scars oh from lovin this fool  
Never seem to learn, always crash and burn, I know I've  
gone too far  
Boy you wear the scars from lovin this fool
