Oh yeah  
I'm still loving you  
Oh yeah

Once again things have come to a head  
Saying words that we've already said  
A battle zone no one can win  
I just don't know where to begin

Cause I'm still loving you, I feel just like a fool  
It's hard loving you, when you do the things you do

I can't tame the tide,  
It's a feeling I can't fake; a habit I can't break  
And I'll walk the line  
Cause there's nothing I can do, a choice I can't choose  
Cause I'm too far gone, I'm too far gone

I remember the spark in your eyes  
A sense of danger a sense of surprise  
Though we've come to a fork in the road  
I know which way I wanna go

Cause I'm still loving you, I feel just like a fool  
It's hard loving you, when you do the things you do

I can't tame the tide,  
It's a feeling I can't fake; a habit I can't break  
And I'll walk the line  
Cause there's nothing I can do, a choice I can't choose  
Cause I'm too far gone

At times I hate your guts, you just drive me nuts  
And I wish that the cops would just lock you up  
Throw away the key, stop you bothering me  
But I know that I'll never ever be free  
Cause I'm too far gone, I'm too far gone

Yeah  
Cause I'm too far gone, say yes  
Yeah  
I still, I still, I still, I still love you

Yeah yes

I can't tame the tide,  
It's a feeling I can't fake; a habit I can't break  
And I'll walk the line

I can't tame the tide,  
It's a feeling I can't fake; a habit I can't break  
And I'll walk the line  
Cause there's nothing I can do, a choice I can't choose

Oh  
I can't tame the tide,  
It's a feeling, it's a feeling
