Can I tell you how I'm feeling here today?  
Some conversation would go a long long way  
But you ain't interested I feel I'm wasting time  
Cause right now with you I face an up hill climb

I feel like I can love you baby, I feel like I can love you  
baby  
I really wanna love ya baby, I really wanna love ya baby

But sometimes I, (sometimes I) I feel I'm on the wrong  
side of love  
Sometimes I, (sometimes I) I feel I'm on the wrong side  
of love  
Sometimes I feel I'm on the wrong side of love

Can't you tell you how I'm feeling here today?  
The bills are landing and I don't know how I'll pay  
Said you'd pay them with your credit card  
But your promises I've learnt to disregard

I feel like I can love you baby, I feel like I can love you  
baby

I really wanna love ya baby, I really wanna love ya baby

But sometimes I, (sometimes I) I feel I'm on the wrong  
side of love  
Sometimes I, (sometimes I) I feel I'm on the wrong side  
of love  
Sometimes I feel I'm on the wrong side of love

Seems like you don't love me baby  
Seems like you don't want me lately  
And now you've got me going crazy, now you've got  
me going crazy  
Your acting kinda cold at times, though you say your  
feeling fine  
What we're going through is for lack of truth lately, lack  
of truth baby

But sometimes I, (sometimes I) I feel I'm on the wrong  
side of love

Sometimes I, (sometimes I) I feel I'm on the wrong side  
of love  
Sometimes I feel I'm on the wrong side of love
