[CHORUS]

It's so sweet, dancin' with the one you love  
It's so sweet, dancin' with the one you love  
Darlin' tell me I'm the one you're dreamin' of

And as we dance together  
Beneath a million stars  
I feel like I'm in heaven  
With an angel in my arms

[REPEAT CHORUS]

And I don't know about tomorrow  
Or what may come to be  
If tonight is all we have dear  
Then that's enough for me

[REPEAT CHORUS]

[INSTRUMENTAL BREAK]

[REPEAT CHORUS]
