No amount of money
Ever take away the pain
Trouble and the heartbreak
Of lovin' you
It hurts so much to say this
So many times I wanted to
Now this is somethin'
I just got to say to you
I lied so many time for you
It's not funny
I done alot a crazy things
I tried so harder to make you happy
But I just couldn't get through to you at all
So, just between you and me and the wall
You're a fool...

(Instrumental)

To bad, to bad, baby...
You're the one, you're the one
I said I'd treat you nice, girl
And I did for such a long long time
But too many surprises
Too many sleepless nights
Too much confusion in my mind
About what I'm getting outta this life
I cried so many times for you
It ain't funny
I..I..I done 'em all, those crazy things
I tried so hard to make you happy
But I just could not get thru to you at all
So, baby, just between you and me and the wall
You're a fool...
Just between you and me and the wall
You're a fool...
