Life is like a mountain railway  
With an engineer that's brave  
You must make a run successful  
From the cradle to the grave  
Watch the curves, the hills and tunnels  
Never falter, never fail  
Just keep your hand upon the throttle  
And your eyes upon the rail  
Blessed Savior Thou will guide us  
Till we reach that blissful shore  
Where the angels wait to join us  
In Thy praise forevermore

Life is like a mountain railway  
With an engineer that's brave  
You must make a run successful  
From the cradle to the grave  
Watch the curves, the hills and tunnels  
Never falter, never fail  
Just keep your hand upon the throttle  
And your eyes upon the rail  
Blessed Savior Thou will guide us  
Till we reach that blissful shore  
Where the angels wait to join us  
In Thy praise forevermore

You will cross the bridge of tidings  
Spanning Jordan swelling high  
Just keep Christ as your conductor  
On this lightning train of life  
Always mindful of obstructions  
Do your duty, never fail  
Just keep your hand upon the throttle  
And your eyes upon the rail  
Blessed Savior Thou will guide us  
Till we reach that blissful shore  
Where the angels wait to join us  
In Thy praise forevermore  
In Thy praise forevermore
