"Out Of The Blue"

It's alright
If you need a shoulder for a while
It's alright
You don't even have to try to smile
I know he just hurt you
I know he just broke your heart
I'm not tryin' to take his place
I'm just here to do my part

CHORUS

You don't need nobody
Holdin' you right now
You're too tender hearted
I'm just gonna have to hold out somehow
But don't you worry baby
I won't give up on you
I'm gonna be here waitin'
When your love comes out of the blue
When your love comes out of the blue
It's alright
Girl, I know just how you feel
It's alright
I know it's gonna take a little time to heal
I don't care how long it takes
Or what I have to do
I ain't the kind that runs away
I ain't to see you through

REPEAT CHORUS TWICE
