Shall I tell you of the night
It was long ago
Late November and the snow
Just about to fall

And the moon was big and bright
Cold and sharp and clear
And the air was biting

Softly, swiftly down the road -
Never made a sound-
Someone came from far away
Someone tall and old

As I looked into his eyes
No reflection came
And I gave him bedding

Oh my little rosary
How I miss you so
Never used you very well
Now I never will

I am farther from you now
Than the two ends of Eternity
Now I do his bidding
