I don't usually talk to strangers  
But today, this line's unusually long  
I really liked our conversation  
But I guess this is goodbye; on second thought, hold  
on

Wait, it might sound crazy  
I'm thinkin' maybe  
We could talk and talk all day  
This could be forever  
We may never ever  
Know if this moment slips away  
Wait

We could both just mind our business  
Take our coffee cups, and just be on our way  
Or we could stop, and take a minute  
To find out if this love really is so plain

Wait, it might sound crazy  
I'm thinkin' maybe  
We could talk and talk all day  
This could be forever  
We may never ever  
Know if this moment slips away  
Wait

It's a million to one  
Let's take it anyway

Wait, it might sound crazy  
I'm thinkin' maybe  
We could talk and talk all day  
This could be forever  
We may never ever  
Know if this moment slips away  
Don't let this moment slip away  
Wait

Wait
