Forever in the words
I might hear
If they can see
What is really near

Don't trust me
I'm probably wrong
At least that's how it seems

At least tomorrow
May never come around
At least my sorrow
Could hit the ground

Don't tell me lies
Or I'll tell you mine
Make you believe
All my life's...
Content

At least tomorrow
May never come around
At least my sorrow
Could hit the ground

Don't tell me
You know more than me

But you don't have to say:

At least tomorrow
May not come around
At least my sorrow
Could hit the ground

At least today
May not end
At least my life
Can't descend...
