I have rage with this heresy
I don't want your faith
I can read all the stupid things
Not bible for me
I don't want to hear your stupid lies
That shit is not for me
I just want to see your silly faith
How it's dying now

Your faith is dying now
I know that
Your faith is dying now
I smell that
The church doesn't want my soul
I am a heretic sick boy

Because your faith is not for me
Only your lies are very sweet
Repulsion
I am an insolent
Repulsion I am an insolent
Repulsion I am an insolent

Your faith is dying now

I know that
Your faith is dying now
I smell that
The church doesn't want my soul
I am a heretic sick boy

Because your faith is not for me
Only your lies are very sweet
Repulsion
I am an insolent
Repulsion I am an insolent
Repulsion I am an insolent

I have rage with this heresy
I don't want your faith
I can read all the stupid things
Not bible for me

Repulsion
I am an insolent

Forget the bible run to hell
Smell the way and find your faith

Repulsion, repulsion
